

NEWS RELEASE

Date: May 17, 2010

Christine Stone, Oregon Public Health, 971-673-1282, desk; 503-602-8027, cell;

Contact: Christine.I.stone@state.or.us.

Public is invited to learn about Emergency Medical Services

Event is also a way to celebrate the work of emergency medical care professionals

WHAT: In celebration of Emergency Medical Services Week, the Oregon Public Health Emergency Medical Services and Trauma Systems Program (EMS) and the Oregon Department of Transportation will showcase several vintage and modern emergency vehicles. The public is invited to tour EMS apparatus, see displays of equipment used in saving lives, tour the State Mobile Training Unit, and talk with those who train and educate our Emergency Medical Services providers.

WHEN: Wednesday, May 19, 2010, from 10 a.m. to 3 p.m.

WHERE: State Capitol Mall Park Grounds, Salem, Ore.

WHY: Oregon's EMS and trauma program works with agencies and providers statewide to ensure that someone trustworthy and competent responds to all calls for emergency medical services throughout Oregon. The event showcases these services.

WHO: The event is sponsored by the Oregon Public Health Emergency Medical and Trauma Systems Program and the Oregon Department of Transportation.

DETAILS: For more information contact:
Liz Morgan at 971-673-0530 or elizabeth.e.morgan@state.or.us; or
Kelly Kapri at 503-986-3293 or Kelly.A.KAPRI@odot.state.or.us.
